

FLOUR MILL DUNDEE:

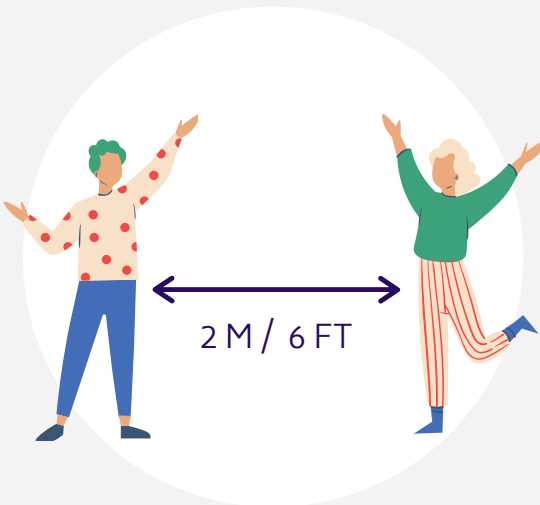

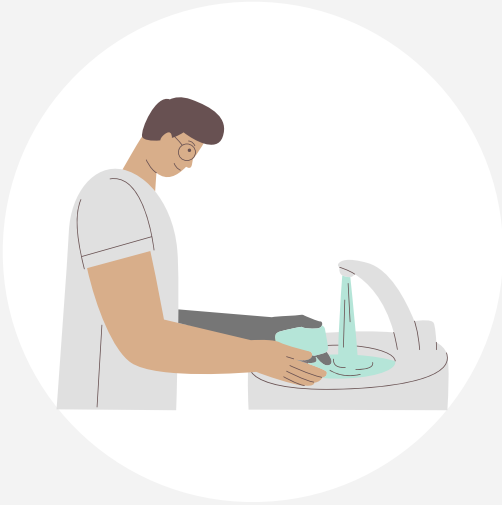

OUR RESPONSE TO COVID-19

HELLO

We hope you and your loved ones are all safe and healthy.

As we closely monitor the current situation and government guidelines, we would like to take this time to inform you of the measures we are taking to ensure your safety at the Flour Mill.

- Daily cleaning and regular sanitation have been implemented.
- All desks and surfaces in communal spaces will be sanitised after use and at the end of each day.
- Antibacterial sprays have been provided at each tea point and in every toilet cubicle. Please utilise these before and after making use of facilities.
- Hand sanitiser dispensers have been installed on each floor. Please use before entering or leaving facilities.
- Visual guides on social distancing have been placed throughout the building.
- And passing points have been marked out on stair landings to allow for safe passage throughout the building.

In addition to this we kindly ask that all members and guests adhere to the following government guidelines:

-
- Please wear a face covering when moving around the building.
 - Wash hands with soap and water regularly throughout the day for at least 20 seconds at a time.
 - Use alcohol-based hand sanitiser if no immediate access to soap and water. We have equipped the building with dispensers located on each floor.
 - Avoid touching your face- especially eyes, nose, and mouth- with your hands.
 - Cover your mouth with a disposable tissue when you cough or sneeze and dispose of immediately. Use your elbow if no tissues are available.
 - Open windows regularly to ensure regular fresh air flow.
 - Follow current social distancing guidelines .
 - Remove any food containers from site once used, and wipe surfaces before and after eating with the antibacterial sprays provided at tea points.

Please do not enter the building if you or a household member has symptoms of COVID-19. Follow NHS advice found here:

<https://www.nhsinform.scot/coronavirus>

It is in the interest of everyone in the building to comply with these safety guidelines. All individuals, including guest and clients should be informed of these measures before entering the building.

For further guidance on your individual company policies please contact your employer.

We would like to thank you for your patience and support throughout this time. Please be assured that your health is our top priority, and we will continue to keep an eye on any developments surrounding the coronavirus outbreak. In the meantime, please do not hesitate to get in touch if you have any queries.

Best regards,

The Flour Mill FOH Team.
